

Apoyos visuales: Realización de la prueba de anticuerpos coronavirus mediante punción

Elaborado por los Equipos Técnicos de los Servicios de Atención Diurna de Aspanaes Santiago y Castelo

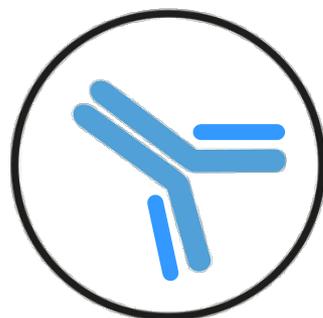

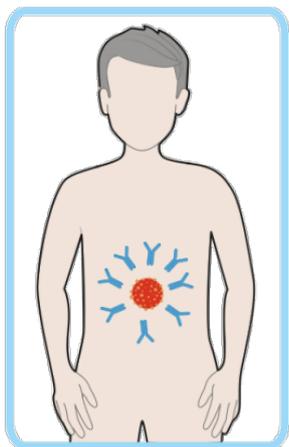

Pongo una mascarilla para ir al médico

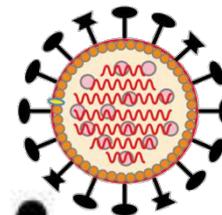

anticuerpos

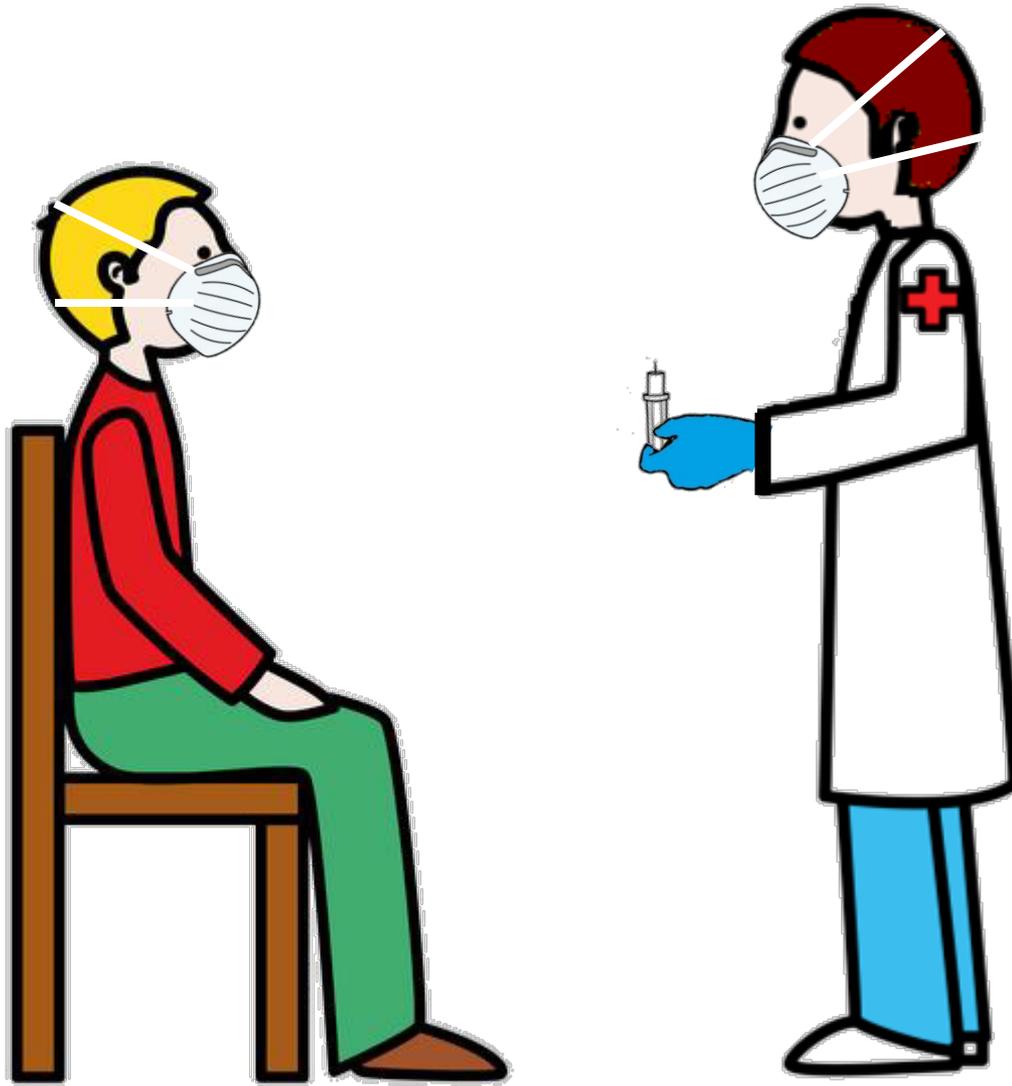

El médico me hace una prueba de anticuerpos

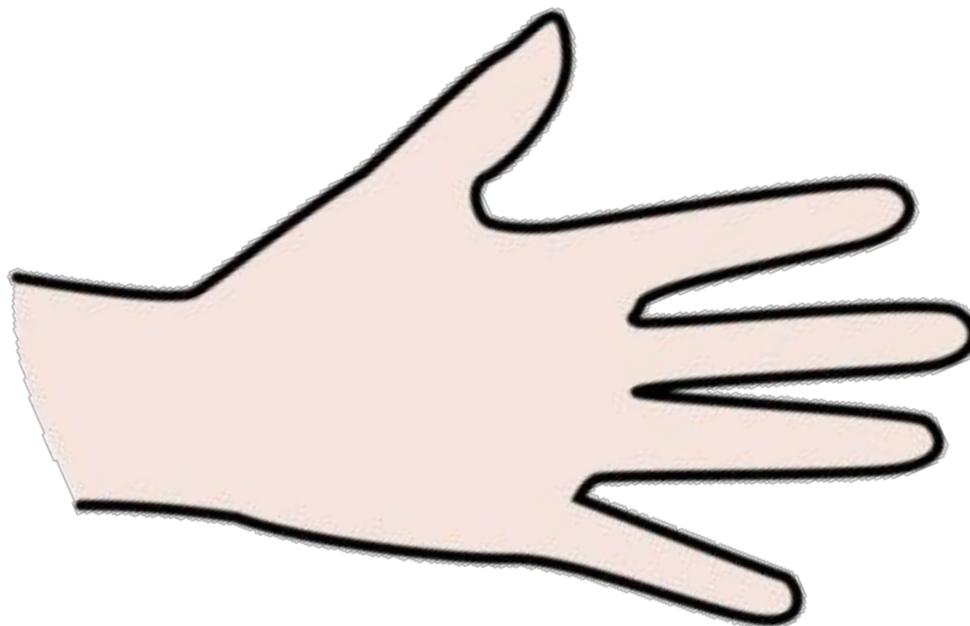

anticuerpos

Los anticuerpos nos protegen del coronavirus

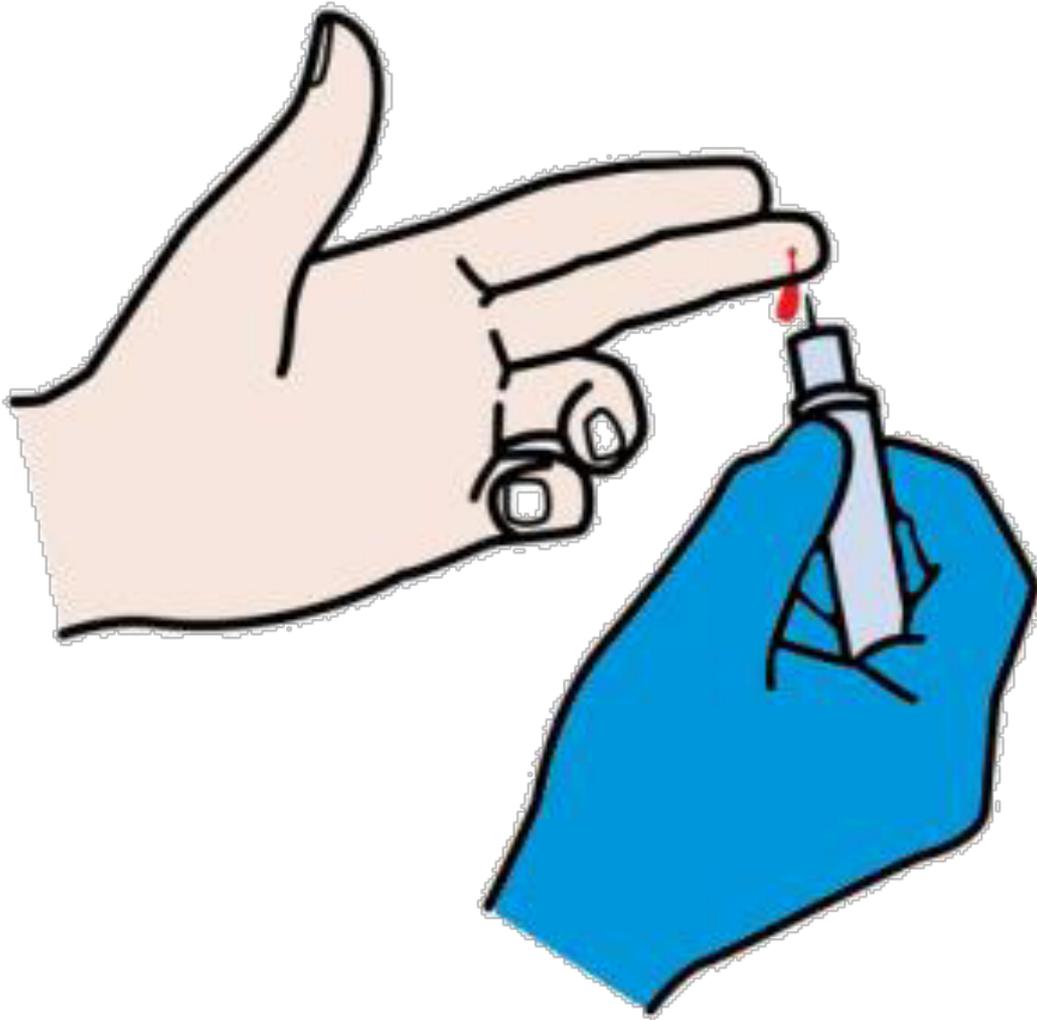

Me siento

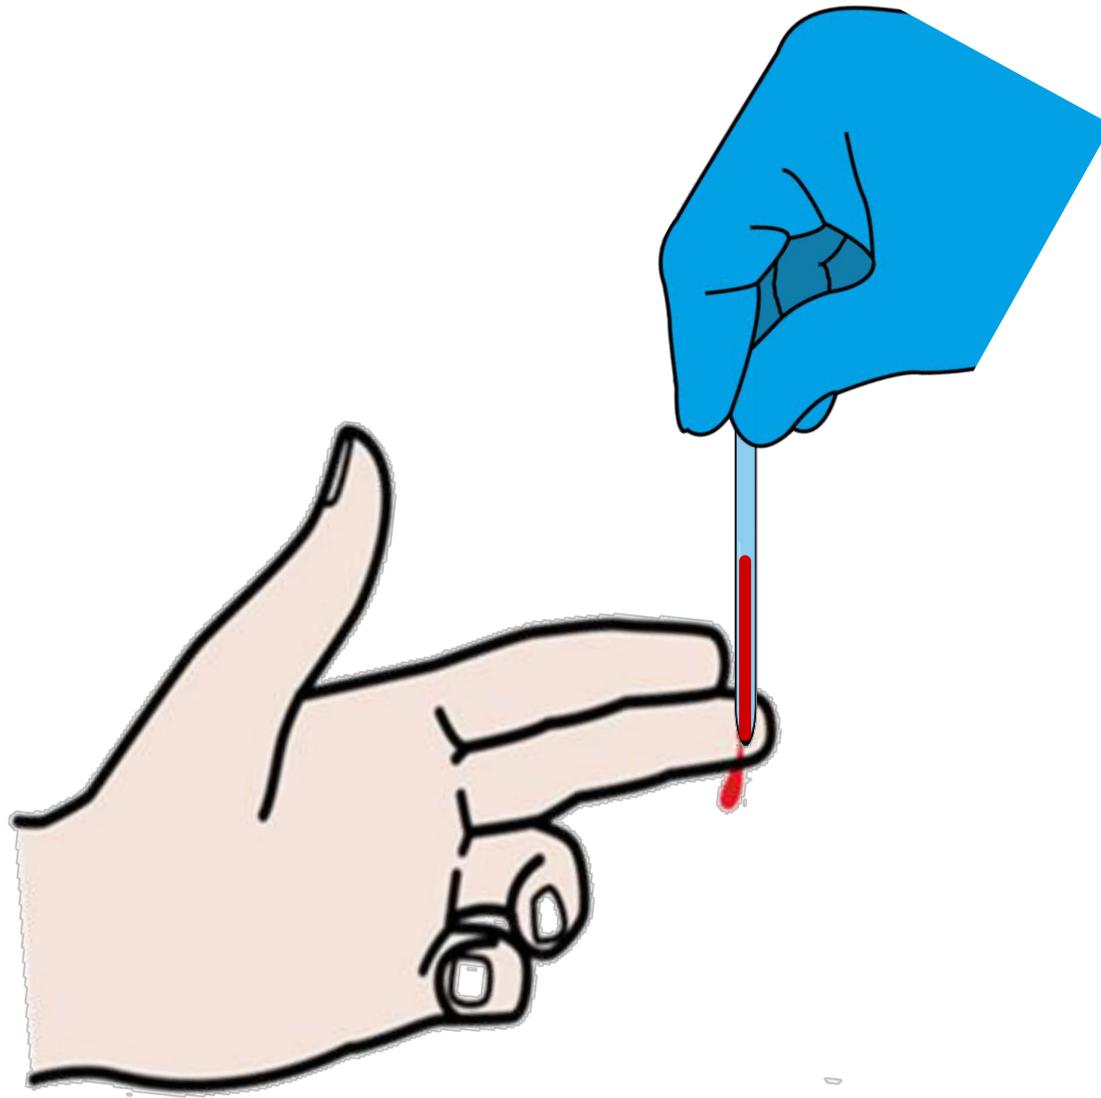

Abro la mano

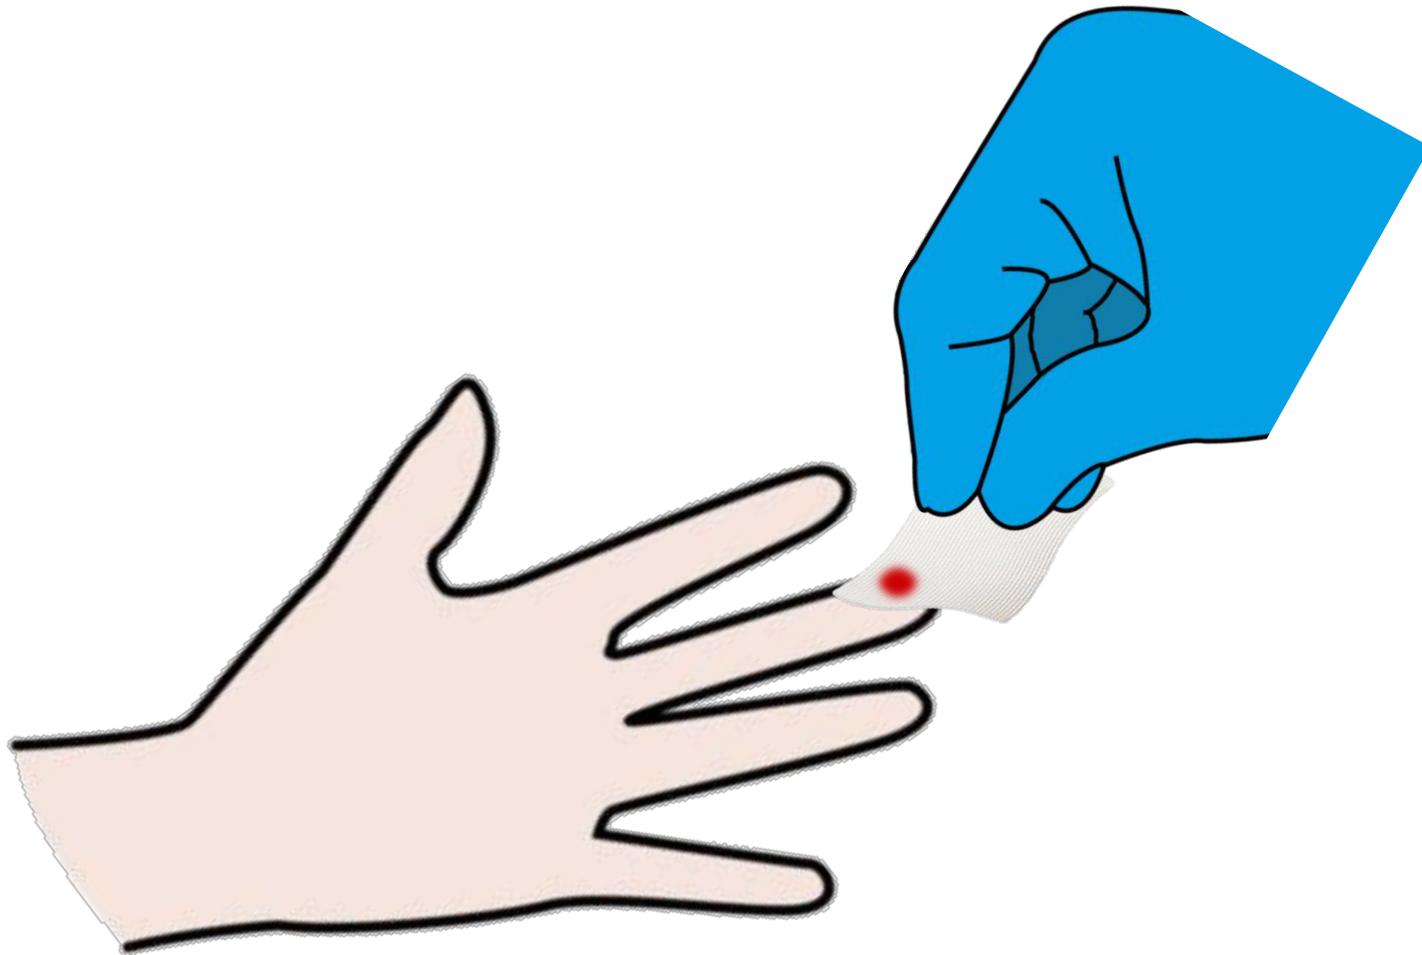

Me desinfectan el dedo

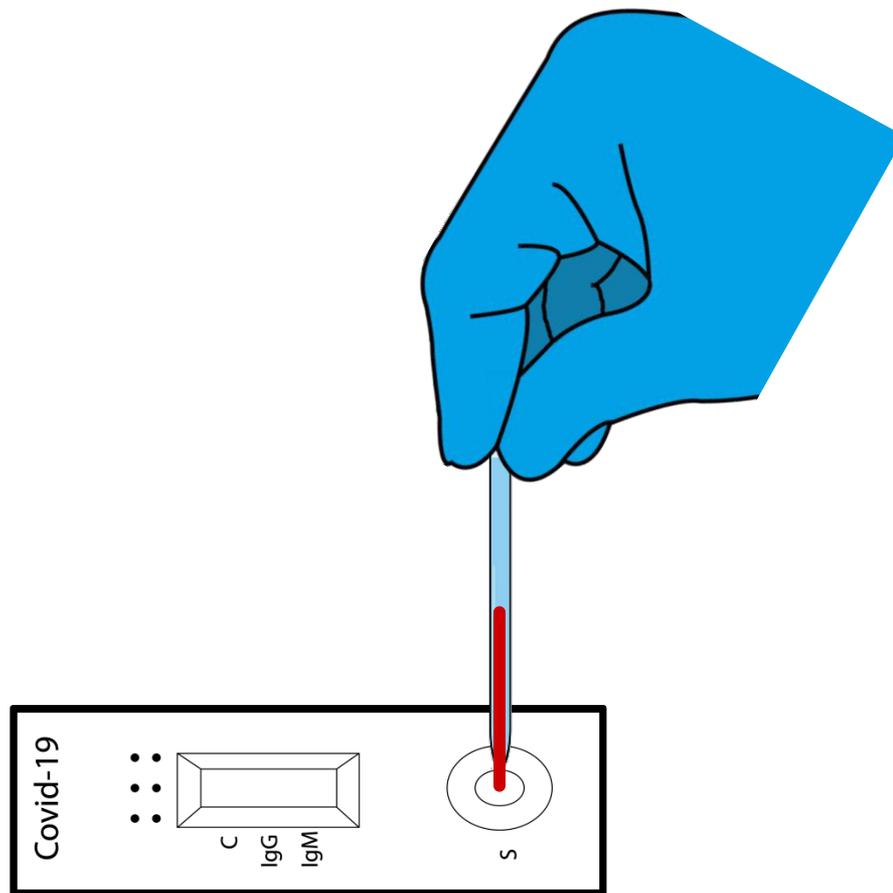

Me pinchan el dedo

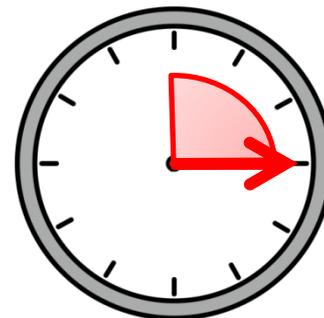

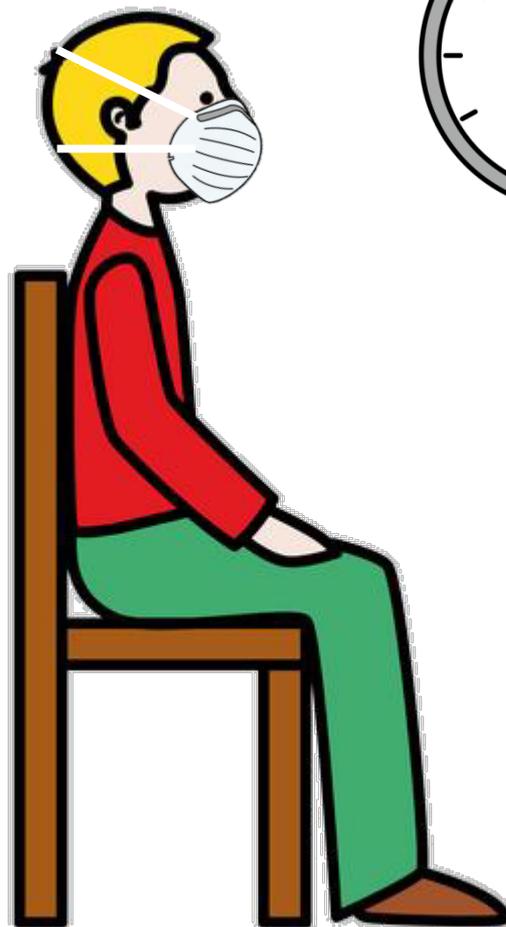

Cogen sangue del dedo

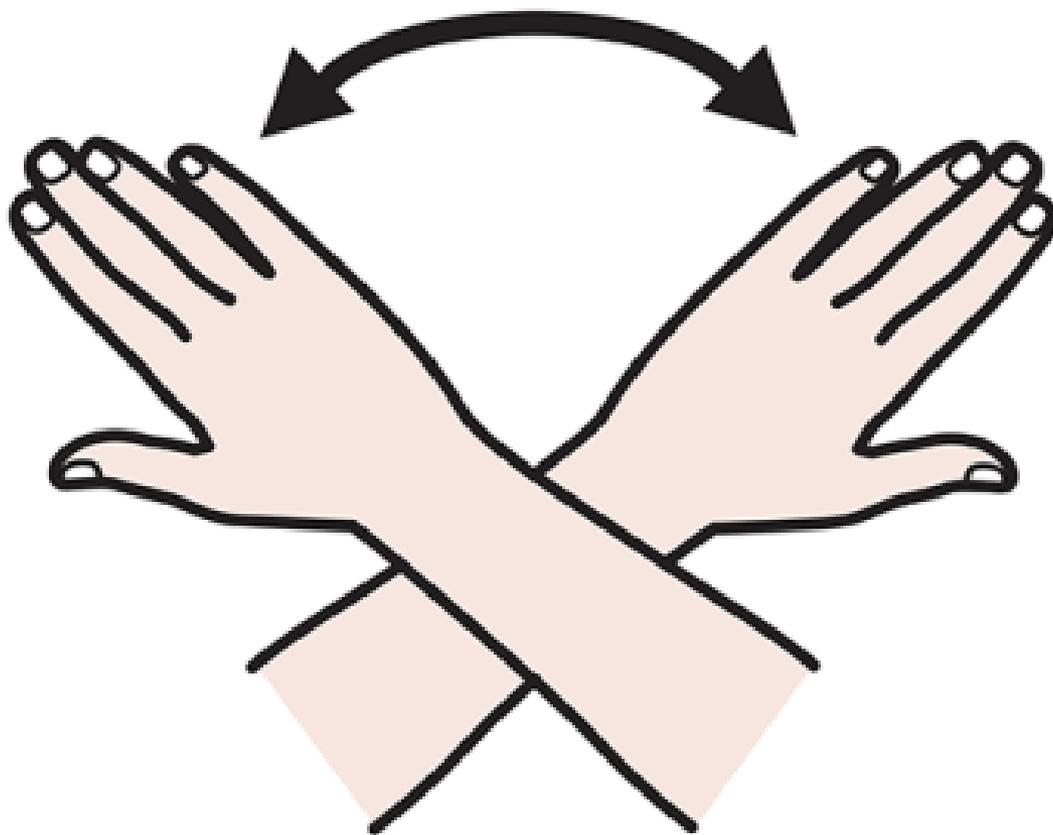

Me limpian el dedo

El médico pone la sangre en la placa

Espero 15 minutos por el resultado

Acabé

Lo hice muy bien
